SENATOR RICK SCOTT'S LEGISLATIVE ACTION UPDATE

FIGHTING FOR FLORIDA'S JEWISH COMMUNITY

Preventing Antisemitic Harassment on Campus Act: This bill holds colleges and universities accountable for addressing the rise of antisemitic harassment and discrimination, which violates Title VI of the *Civil Rights Act*, or risk losing federal funding, as leaders on campuses failed to do in recent years while antisemitic mobs took over academic buildings and Jewish students feared for their safety.

Sen. Rick Scott's Jewish-American Heritage Month Resolution: This resolution makes clear the United States stands strong with its ally, Israel, by cutting off U.S. funding to any United Nations (UN) agency that expels, suspends, downgrades, or otherwise restricts the participation of Israel.

Sen Rick Scott Donates Senate Salary to the United States Holocaust Memorial Museum: Senator Rick Scott and Mrs. Anne Scott donated a portion of their Senate Salary to the United States Holocaust Memorial Museum, which teaches millions of people each year about the dangers of unchecked antisemitism and hatred and the ongoing relevance of the Holocaust. Senator Scott has donated his entire Senate salary every year since taking office in 2019.

Sen Rick Scott's Meeting with Jewish Community Leaders in Jacksonville: Senator Rick Scott met with Jewish community leaders at Etz Chaim Synagogue in Jacksonville, Florida to discuss the rise of antisemitism across the nation, and how local and federal leaders can best support the Jewish community. Prior to the roundtable, Senator Scott toured the Torah Academy of Jacksonville and met with students.

Sen. Rick Scott Urges Tampa Sports Authority to Cancel Kanye West's Concert at Taxpayer-Funded Raymond James Stadium: Senator Rick Scott sent a letter to the Tampa Sports Authority Board of Directors and hosted a press conference at the Florida Holocaust Museum urging the Tampa Sports Authority to cancel Kanye West's upcoming concerts at Raymond James Stadium following his years-long embrace of antisemitism and Nazism.

Sen. Rick Scott Sends Letter Urging Pres. Trump to Pave Pathway for Canadian Jews to Emigrate to U.S.: Senator Rick Scott sent a letter to President Donald Trump urging the administration to establish an expedited legal pathway and refugee status for Jewish Canadians amid rising antisemitism in Canada.

STANDING WITH ISRAEL

Stand with Israel Act: This bill makes clear the United States stands strong with its ally, Israel, by cutting off U.S. funding to any UN agency that expels, suspends, downgrades, or otherwise restricts the participation of Israel.

Stop Support for UNRWA Act of 2026: This bill ensures that U.S. taxpayers will never again be forced to sponsor the United Nations Relief and Works Agency (UNRWA), whose workers were tied to the October 7th terrorist attack in Israel.

IGO Anti Boycott Act of 2026: This bill modernizes anti-boycott laws to combat the campaign of economic pressure working through UN agencies and other IGOs that compile blacklists of Israeli companies and seek to delegitimize Israel economically.

Sovereign Enforcement Integrity Act: This bill prohibits state and local authorities, such as NYC Mayoral candidate Zohran Mamdani, from arresting or detaining foreign nationals like Israeli Prime Minister Benjamin Netanyahu, based solely on ICC warrants, indictments, and/or requests, unless authorized by federal law or presidential memorandum as it pertains to America's national security.

Stop Taxpayer Funding of Hamas Act: This bill prohibits any direct or indirect U.S. funding from going to the Gaza territory until it can be certified by the president that no American taxpayer dollars are used to benefit Hamas, the Palestinian Islamic Jihad, or any other organizations recognized as foreign terrorist groups.

Sen. Rick Scott's Letter to Global Leaders: Senator Rick Scott and Congresswoman Elise Stefanik led 23 of their colleagues in a bicameral **letter** urging the leaders of Australia, Canada, the United Kingdom, and France to reverse course on their anticipated efforts to unilaterally recognize a Palestinian state at the upcoming 80th United Nations General Assembly.
